Re: Extension for Public Comments on Draft Regulations

Dear Mr. Crosby:

Currently, the deadline for submitting public comments on the Draft Regulations defining the term "Surrounding Communities" is 2:00 pm on February 5, 2013. The Town of Hopkinton requests that this deadline be extended until 10 days after the Commission complies with the Town's Public Records Request for the Gaming License Phase I Applications.

Thank you for your attention to this matter.

Sincerely,

J. Raymond Miyares
