Re: July 8, 2013 Letter Regarding Multijurisdictional Personal History Disclosure Forms ("MJPHD") and Massachusetts Supplements ("Mass Supp")

Dear Mr. Miyares:

Thank you for your letter. As mentioned previously, a confidentiality appeal was pending before the Commission and a ruling on that appeal needed to occur before the MJPHD and Mass Supp forms would be released. I am pleased to report that the Commission issued its decision on July 10. As part of that decision, the Commission allowed the applicant fourteen (14) days to file an appeal with the Superior Court. Based upon that decision, I anticipate releasing the MJPHD and Mass Supp forms on July 29, 2013.

As correctly stated and listed in your letter, there have been five (5) qualifiers added to the Crossroads application. I am checking with the IEB to determine where those forms are in the process. It is my intent to release the BED forms and MJPHD and Mass Supp forms for those qualifiers on July 29 as well if they have completed the review and redaction process.

Thank you for your patience as we work through the licensing process.

Very truly yours,

Catherine Blue
